**TITLE OF TRIP/MINISTRY**

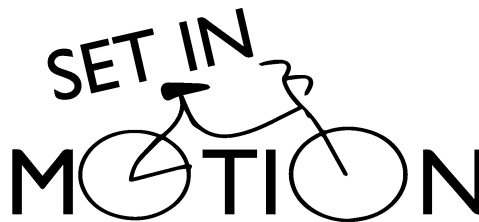

Fill this space with 60-80 words describing what you are raising money for. That is about 3-5 sentences. And most importantly, what impact you/your ministry /your trip will have for the Gospel. Explain where in the world the money will benefit and try to help customers understand and identify with the importance of your work. Count on our prayers at GCC! Good luck.

EXAMPLE using Set  
in Motion ministry:

### **Nancy's Delivery Trip to Nicaragua**

In rural Nicaragua, people rely on bicycles for getting and maintaining jobs, going to school, getting health care, and much more. The Set in Motion ministry delivers Bibles, bikes, & food packages to impoverished Nicaraguan families to help alleviate their physical and spiritual poverty. By buying this bag, you help me raise the funds necessary to serve on Set in Motion's next delivery team.
